

BROWNSTONE RESOURCES LTD.

Brownstone Resources Ltd. Announces SE Saskatchewan Fee Title and Royalty Interest Acquisition

Brownstone Resources Ltd., a prominent owner of oil and gas mineral and royalty interests in Southeast Saskatchewan, is pleased to announce a successful acquisition of Fee Title Interests and Gross Overriding Royalty interests. This significant collection of 7825 net acres of Fee Title and Gross Overriding Royalties are located throughout a number of areas in Southeastern Saskatchewan. The acquisition will be immediately accretive to distributable cash flow in 2020, which will enable accelerated accretion and growth in 2021.

Brownstone Resources Ltd. is a privately owned farmland and mineral holding company, headquartered in Weyburn, Saskatchewan. Incorporated in 1996, Brownstone has an extensive portfolio of farmland and both producing and undeveloped fee title lands.

The majority of Brownstone's holdings are located in Southeastern Saskatchewan, but the company also own interests in British Columbia, Alberta and Manitoba. The primary goal of the Company is to acquire holdings in areas well positioned for growth.

For anyone interested in selling or receiving an offer for their farmland or mineral title, more information can be obtained through our website at www.brownstoneresources.ca or by contacting Kara Somerville, Land Manager, at 306-842-9430.
